

Pratt House

Residential care in Amersham

Welcome to Pratt House

Set in a quiet location in its own beautiful grounds, Pratt House is situated on the outskirts of market town Amersham in the Chiltern Hills, providing care and accommodation for residents on both a long and short term stay basis.

At Pratt House we offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment. Our dedicated activity co-ordinators plan various activities which change weekly for our residents, such as quizzes, gentle exercise classes and occasional outings to local attractions.

Residential care

Our Residential Care is the perfect way to continue to live independently, with the security of on-site staff who are there 24-hours a day to provide support and companionship when you need it.

“I’m still part of my local community and have a whole new one at the same time.”

Your home, your way

Set in its own beautiful grounds, in a quiet location, Pratt House has 29 en-suite rooms, many overlooking our attractive garden and surrounding fields, and we have rooms that can accommodate couples. Although we can provide furniture, we encourage you to bring your own furniture and photographs so you can customise your room and make it feel like home.

In 2019, we are due to have an extension which will give us an additional 7 rooms, a second lounge and a dining room, as well as some refurbishments to the current property.

Time well spent

Pratt House is a thriving community. Our fantastic team of kind, compassionate and highly trained staff and volunteers not only ensure the safe and smooth running of our home, they also help make it a friendly, enjoyable place to live.

Daily activities are also arranged such as gentle exercise classes, but we also believe in spontaneity – whether that’s a walk in the garden when the sun shines or quizzes and boardgames.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Pratt House is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Pratt House.

“Pratt House isn't just a care home, it's a home that cares.”

The Abbeyfield Promise:

We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.
