The Abbeyfield Promise:

We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

Abbeyfield Residential Care

Our Residential Care is the perfect way to continue to live independently, with the security of on-site staff who are there 24-hours a day to provide support and companionship when you need it.

James House is not just a Care Home, it is a home that cares.

Delicious, daily home-cooked meals and everyday housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

If you choose to live with us, you'll enjoy your own comfortable room, socialising in a shared lounge and dining room, and a lovely, well-maintained garden to relax in.

Welcome to James House

Set on an affluent residential road, James House is located in the heart of Northwood, providing care and accommodation for residents on both a long and short term stay basis.

At James House we offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment. Our dedicated team members help to plan various daily activities for the residents to enjoy, including quizzes, gentle exercise sessions and board games. We will also occasionally organise an outing to local attractions.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why our Abbeyfield house is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. This is why we have regular resident and family meetings, so we can get feedback on how we can improve our service at James House.

Time well spent

James House is a place where you can enjoy comfort, security and friendship. We are blessed with a fantastic team of kind and compassionate highly trained staff and volunteers, all of whom are dedicated to making your life as enjoyable and worry-free as possible.

Not only do they help ensure the safe and smooth running of our home, they also play an important part in making them friendly and enjoyable places to live.

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunities to get involved in activities and entertainment – which is a big part of life in our houses.
