We tailor your care plans to your needs, with the help of your friends, family or any others involved in your care. Daily support such as washing, dressing and medication support will be provided, and all meals are taken care of with a nutritious and varied menu.

“I’m still part of my local community and have a whole new one at the same time.”

Your home, your way

The house was built in 1998 and officially opened by Prince Charles.

The house has 21 rooms, each with ensuite shower facilities and stunning views of the countryside and the fells. We have a communal lounge on the ground floor with open access to a beautiful garden that is south facing, perfect for enjoying some sunshine. We have a summer house and seating area which is shaded should it get too warm.

Our house has a lovely warm atmosphere, the staff are very welcoming and friendly and the food here is excellent!

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Bradbury House is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Bradbury House.

“Bradbury House isn't just a care home, it's a home that cares.”
