The Abbeyfield Promise:

We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

Welcome to Gardener House

Settled on a charming residential road, our friendly Abbeyfield house is situated in the heart of Muswell Hill, London.

At Abbeyfield we offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment.

Delicious, daily home-cooked meals and communal area housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

If you choose to live with us, you'll enjoy your own comfortable single-occupancy flat, socialising in a shared lounge and dining area, and a beautiful well-tended and secluded garden to relax in.

Happiness starts with you

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

Our dedicated team organise many different activities for the residents to enjoy, including coffee mornings, group poetry readings, and occasionally afternoon teas.

These aspects of life at an Abbeyfield Supported House sets us apart from other providers.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why our Abbeyfield house is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. This is why we have regular resident and family meetings, so we can get feedback on how we can improve our service at Gardener House.

Your retirement

When you live with Abbeyfield you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Gardener House.
