*The Abbeyfield Promise:*

# We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

# Welcome to Garrad House

Nestled away in a quiet residential setting, our Abbeyfield house is wonderfully located just moments away from the much loved village high street of Kings Langley.

Delicious, daily home-cooked meals and everyday housekeeping are organised and all your household bills are included in the cost, leaving you free to enjoy your time.

At Abbeyfield we offer a home from home experience and our staff are crucial to creating this friendly and welcoming environment.

Garrad House has a wealth of experience supporting people in the early stages of various health conditions. We work closely with a local care agency who can provide that extra bit of support to help you remain living independently, from assisting with medication to personal care.

## Happiness starts with you

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

If you choose to live with us, you'll enjoy your own comfortable room, socialising in shared lounges and dining areas, and our beautifully maintained garden to enjoy at your leisure.

*These aspects of life at an Abbeyfield Supported House sets us apart from other providers.*

## Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why our Abbeyfield house is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. This is why we have regular resident meetings, so we can get feedback on how we can improve our service at Garrad House.

## Your retirement

When you live with Abbeyfield you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

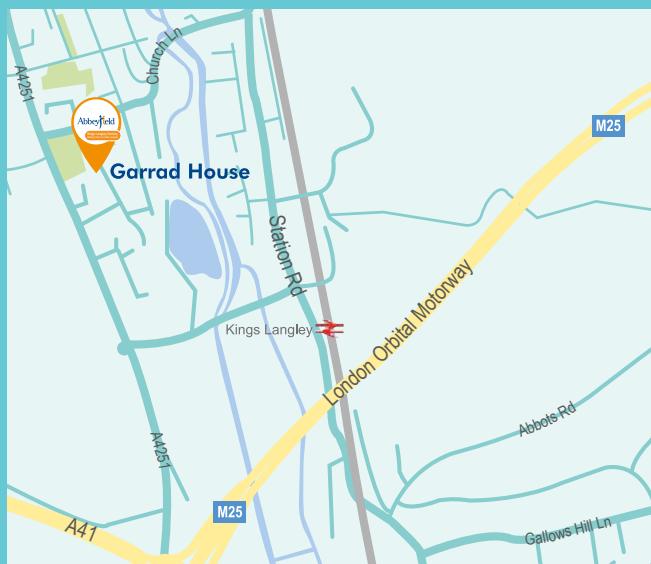

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Garrad House.

## Your community

The vibrant village of Kings Langley is located just 20 miles north of London, on the southern edge of the peaceful Chiltern Hills, surrounded by beautiful and historic countryside.

Garrad House is within close proximity to the village centre, which features a variety of shops, eateries, doctors surgeries and parks.

Should you wish to explore further, great transport links by rail or motorway are nearby, serving surrounding Hertfordshire towns.
