# Brown's Field House

## *The Abbeyfield Promise:*

# We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

## Dementia friendly care

The care we provide is as individual as the people we care for. Our team of staff are dedicated to ensuring all of your needs are met and your expectations exceeded.

Living with Abbeyfield is an enriching and nourishing experience; we offer truly person-centred care, a vibrant calendar of activities and events, and place a strong emphasis on building thriving community links with like-minded neighbours and organisations.

It is the perfect way to continue to live independently, with the security of on-site staff who are there 24 hours a day to provide support and companionship as and when is needed.

*“The staff and volunteers are so friendly, there’s always someone to have a natter with.”*

## Time well spent

Brown's Field House is a thriving community. Our fantastic team of kind, compassionate and highly trained staff and volunteers not only ensure the safe and smooth running of the home, they also help make it a friendly, enjoyable place to live.

Though your time is always your own, our team create personalised activity programmes for you to enjoy, such as:

- OmiVista games
- Arts and crafts
- Gentle exercise sessions
- Gardening
- Sing-alongs and karaoke

Our Activities Co-ordinator will really get to know you, find out your interests and hobbies and help you to pursue them within the home.

One-to-one time is also available with our activities team to provide the support you need from booking a salon appointment to simply sitting down for a cup of tea and a chat.

## Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Brown's Field House is registered and regulated by the Care Quality Commission, England's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at the home.

## Your community

Brown's Field House is situated on a safe, quiet residential road in the city of Cambridge.

Many accessible amenities are just a stones throw away on the local high street, including a supermarket, post office and pubs. A short distance from the house will bring you to the city centre, a popular tourist attraction with many things to see and do.

Cambridge North train station and many bus stops are located nearby with transport links to the city centre and surrounding towns.
