

Turriff, Aberdeenshire

The building is a purpose built Abbeyfield House in a quiet area of the town and offers ground floor accommodation for 9 residents. This house is ideal for those who are active and independent. It has an attractive lounge overlooking the Wynd and a small garden with patio and private parking. The house is situated within easy walking distance of local amenities such as shops, supermarket, cafes, library and church. There is also a medical centre attached to the community hospital. The town of Turriff is situated in the lovely rolling landscape of rural Aberdeenshire.
