

ACTIVITIES

At Abbeyfield House Great Missenden, we understand the importance of social interaction and activities. The home is ideally situated in the heart of a busy village, with many activities outside of the home that our residents can attend. Some have volunteers that can provide transport if needed.

Here within the home, we arrange a monthly timetable of activities and outings, which are tailored to the residents' interests.

There is our monthly 'knit & natter' group, bingo afternoon and Happy Hour tea & cakes with family and staff.

As well as

Regular exercise classes,

Film Afternoons

Visits from local school children

Music nights

Pet Therapy visits

Craft activities, to name a few.
