Phil Mead House

The Abbeyfield Promise:

We make time so you can enjoy life

Making time for our residents is at the heart of everything we do.

This promise means we have the time to share friendships, understand individual needs and make every day more fulfilling – so everyone feels valued, content, cared for and safe.

Abbeyfield residential care

Our residential care is the perfect way to continue to live independently, with the security of on-site staff who are there 24-hours a day to provide support and companionship when you need it.

We offer relaxed, inviting environments designed to offer comfort, security, friendship and a high level of personal time and care.

We tailor your care plans to your needs, with the help of your friends, family or any others involved in your care. Daily support such as washing, dressing and medication support will be provided, and all meals are taken care of with a nutritious and varied menu.

“The staff and volunteers are so friendly, there’s always someone to have a natter with.”

Our dedicated Activities Coordinator will really get to know you, find out your interests and hobbies and help you to pursue them within the home.

One-to-one time is also available with our activities team to provide the support you need from booking a salon appointment to simply sitting down for a cup of tea and a chat.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at the home.
