# Time to enjoy older age

Our residents enjoy the privacy of their own affordable, high quality accommodation combined with the companionship of others. Residents are supported to remain physically and mentally active and enjoy resident led and organised seasonal activities throughout the year.

The house has a comfortable resident's lounge, dining room and a lovely conservatory looking out on to well maintained gardens and seating area giving our residents the opportunity to relax and socialise with each other. We serve coffee each morning in the lounge so residents can come and have a chat meaning no one needs to feel alone or isolated.

Meal times at Abbeyfield are also important as it's when the whole house gets together - a time to have a chat enjoying great food and great company. Our qualified housekeepers pride themselves on providing delicious freshly prepared food. We provide two meals a day cooked and prepared at the house with plenty of choice, vegetarian options, and great portion sizes!, meals can also be tailored to dietary needs.

Once you see for yourself what living with Abbeyfield can bring to your life, you may well wish you had made the move years ago.
