Happiness starts with you

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

Abbeyfield features

Milverton is a traditional detached house built in 1920 and renovated in 1980. Brows Lodge was built a few years later before both houses were connected by a glass walkway. In 2017, further renovation work was carried out to the property and is very much loved by our residents.

There are 17 rooms which are a combination of one bedroom apartments and studio flats. All rooms are unfurnished, with a kitchenette and most have en-suite facilities available. Both houses have their own communal lounge and laundry facilities and the dining area is located within Brows Lodge.

We have some lovely gardens which encircle the houses, you will find seating areas set out for you to sit and enjoy some fresh air.

Your retirement

When you live with Abbeyfield you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Brows lodge & Milverton.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Brows Lodge & Milverton is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Brows Lodge & Milverton.
