“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

Abbeyfield features

Our home has two, one bedroom flats on the first floor, seven bedsit-style rooms, one bedsit room with a separate bathroom and one two bedroomed separate barn conversion.

Completing our home is a wonderful conservatory, lounge and dining room which residents enjoy using to catch up with on another and take part in activities. We also have a lovely garden which residents take an active role in maintaining and growing their own fruit and vegetables.

Your retirement

When you live with Abbeyfield you are part of our community and the wider local community too.

Connected by our staff and volunteers, people who choose to share their time with you organising popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Burtons.

Your safety and quality assurance

You can't enjoy peace of mind without trust.
