Your home from home

You can enjoy independent living within a high quality secure and self-contained apartment.

Our home has 16 apartments with one or two bedrooms, kitchen, bathroom and lounge area. We also have a spacious communal lounge and dining room for residents to use at their leisure for activities or to socialise with one another. Our home has a hair salon and a beautiful garden with a greenhouse, fruit patch and summer house. We have recently acquired a new therapy couch so we are excited to offer chiropody and massage services to our residents too.

Relaxation and inclusion are an important part of life at Abbeyfield Court with spaces and time made for residents to relax, reflect and enjoy later life.

Your retirement

When you live at Abbeyfield you are part of our community and the wider local community too.

We are proud of our excellent staff team, who are supported by some committed volunteers. These are people who choose to share their time with you by popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.
