Sheltered Housing in Falmouth

## Welcome to Tresillian House

Tresillian House is full of warmth, companionship and laughter, a far cry from it's origins as one of two houses built for sisters who didn't get along. Our home offers older people support and security whilst retaining an independent lifestyle.

We're a close knit group at Tresillian House; we truly feel like family. We often enjoy trips out as a house to the theatre, local cafes and the beach, or if the weather isn't being kind to us we play board games or watch documentaries on the television.

## Happiness starts with you

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment - which is a big part of your Abbeyfield experience.

**"I am very happy to be here in a comfortable house with a lovely garden and surroundings."**

## Abbeyfield features

We have a total of twelve rooms, all with en-suite and kitchenette facilities. The house has a large lounge and dining room with views over our garden and across to the ocean.

Our home is located close to the town centre with public transport links to the shops and attractions of Falmouth including an award winning library, arts centre and cinema. But best of all, we are just a three minute walk to the beach and the famous Gylly Café. Next door there is a private swimming pool and gym which residents can pay to join if sea swimming isn't their calling.

## Your retirement

When you live with Abbeyfield you are part of our community and the wider local community too.

Tresillian House has a dedicated staff team who will support your independence and who will be able to sign-post you to activities that will make your retirement and living at Tresillian House the best it can be.

## Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Tresillian House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Tresillian House.

**“These aspects of life at Tresillian House sets us apart from other providers.”**

## The Abbeyfield Promise:

## Your community
